Connecting stations:

We will invite some stations where big network is not available.

1. Indonesia: Participating stations will be announced by Aria
aria_depok@yahoo.com
2. Singapore: Changi General Hospital,
Tai Ann toh.tai.ann@singhealth.com.sg
3. Malaysia: Queen Elizabeth Hospital/ University Malaysia Sabah
Kamal/MYREN should send further information of local engineers.
kamal@myren.net.my
4. Philippines: Metropolitan Hospital,
Manuel Umali mlumali@metromedicalcenter.ph

Presentations and preparations

1. The presenter will be in charge of his/her short presentation. The standard style will consist of a brief presentation followed by a demonstration of his/her system, connecting some remote stations.
2. Each session has roughly 30min. Recommended style would be 10min presentation and 20min demonstration.
3. Further organization and preparations will be taken care of by chairpersons and presenters.
