

APAN E-Proceeding Report

Chris Elvige/Suhaimi Napis

What we have now

- Several proceeding publication systems were evaluated and Open Conference System was selected.
- UPM (Suhaimi) agreed to host the proceedings.
- UPM installed OCS and we now have two published proceedings (30th and 31st APANs).

Recommendations

- Establish Chair of APAN E-Proceeding Group and then become PC Vice Chair for E-Proceeding
- Editor-In-Chief and Vice Editor-In-Chief
- Reviewers from Active WG Chairs
- Call for Papers:
 - One Round only and get WG Chairs to be actively involved
 - Submitters select which WG for their papers
 - WG Chairs do the reviewing process together with Editor-In-Chief

Recommendations-cont.

- NRW will participate in the interim but need to confirm later as there are plans to “graduate” and affiliate with ACM, IEEE, etc
- ISBN or equivalent need to be explored. Possibility to combine with NRW ISBN. Special APAN E-Proceeding for/with NRW once a year
- APAN E-Proceeding to explore having special large session for more papers to compensate when NRW has no session
